- Notes: (1) UCC Adjustments vary from EFR UCC Total Deductions due to H&C manual accruals & reversals for allowances, annual adjustments to add H&C pharmacy free drug replacement charges, manual adjustments for MDAPN (Gyn Onc only) UCC adjustments, and the addition of Medicaid managed care adjustments posted to managed care adjustment codes.
- (2) County determined by residence for most recent H&C encounter posting a UCC adjustment in the reported fiscal year.
- (3) UCC Adjustments are categorized by the type of adjustment posted. Some patients may have adjustments posted both indigent and Medicaid during the year.
- (4) Hospital Medicaid Adjustment amount includes additional Medicaid managed care adjustments (\$1,455,027) that were posted to a managed care contractual code.
