

Genes & Development

Travel Award Application

ELEGIBILITY

All G&D Ph.D. students presenting results at a national or international meeting are eligible for one \$200.00 G&D travel award per year. The number of awards is strictly limited due to budget constraints; they will be awarded as long as funds are available. Students must show that they have had an advisory, exam or supervisory committee meeting in the last six months.

PURPOSE

The purpose of the G&D travel award is to help defray your expenses to attend a meeting. The name of your advisor's administrative assistant is requested so that arrangements can be made to apply the \$200.00 toward your overall expenses.

INSTRUCTIONS

Please fill out this form and attach a copy of your meeting registration form, the abstract submitted to the meeting and a copy of your last committee meeting report. Submit your request to Dr. Gregory May, G&D Program Director, Room Y5.5705.

_____ Your Name	_____ Your Advisor		
_____ Your Email Address
