

Genetic Counseling Summer Shadowing Program

Clinical Cancer Genetics

July Program

7/8/2019 – 7/12/2019

August Program

8/5/2019 – 8/9/2019

The Clinical Cancer Genetics Program at MD Anderson Cancer Center welcomes individuals who wish to learn more about cancer genetics and genetic counseling through an unpaid one week observational program. One applicant will be selected for each program. This program aims to provide applicants with exposure to the field of cancer genetic counseling through clinical shadowing and observation of genetic counselors.

Eligibility

- 18 years of age or older
- Currently working towards or have completed an undergraduate degree (BS, BA, AA, etc)
- Citizens or permanent residents of the United States
- Ideal applications will demonstrate a specific interest in the field of genetic counseling

Application deadline: May 24, 2019

Please email the completed application and a copy of your most recent resume to ccg@mdanderson.org with subject line “2019 Summer Shadowing Program”
