

MD Anderson Cancer Center's Integrative Medicine Program Workshop

The Integrative Medicine Program Workshop is designed for healthcare professionals interested in learning more about integrative medicine in a comprehensive cancer center. The primary goal of the program is to expose the participant to key aspects of Integrative Oncology at The University of Texas MD Anderson Cancer Center.

- **Learn tools to help you establish an integrative oncology program**
- **Gain key insights into our clinical programs and operations, research and education programs**
- **Meet and interact with program leaders and faculty**
- **Visit our integrative medicine center facilities, including our clinic and group programs activity area**

Date: **March 2nd & 3rd, 2017**

Price: 350.00 US dollars

Registration: SAMonroe@mdanderson.org

Location: Mays Clinic, 2nd Floor, Room ACB2.1049 (Across from the Gift Shop)
1220 Holcombe Blvd., Houston, TX 77030
