This schedule is intended to convey the general MDACC "standard" products used in the indicated room types to assist with the Design Development phase only of renovation or new construction projects. A finish legend and room finish schedules for construction documents MUST be reviewed and approved by the MDACC Planner/Designer assigned to the project. 

All Planner/Designers are responsible for verifying the information herein for accuracy. 

Contact Facilities Planning, Design and Construction/Facilities Planning Services (FPS) at ext. 2-2207 to clarify "special" finishes and applications.

02/16/2015, per Denise Hanley the following paint spec is used throughout Mays on walls: Corotech water based single phase epoxy, eggshell finish.
