**Important Notice:**

- We are providing this document for informational purposes only. It may contain outdated or inaccurate information. Please refer to the latest version of the MDACC Facilities Planning and Design Services documents for the most current and accurate information.
- Sample colors may differ from actual colors due to different monitor light sources. Actual colors are available from the FACPSS library located on the 18th floor or may be ordered directly from manufacturers.

---

This schedule is intended to convey the general MDACC "standard" products used in the indicated room types to assist with the design development phase only of renovation or new construction projects. Finish legends and room finish schedules for construction documents MUST be reviewed and approved by the MDACC Planner/Designer assigned to the project. All Planner/Designers are responsible for verifying the information herein for accuracy.

Contact Facilities Planning, Design and Construction/Facilities Planning Services (FPS) at ext. 2-2207 to clarify "special" finishes and applications.
