III. Comments:

9. Comments regarding significant changes from previous year's corresponding quarter.

The increase in FTE above the Cap is required to support the continuing growth in patient care, research and support services at M. D. Anderson Cancer Center (MDACC). These additional employees will allow MDACC to continue to provide the institution's standard of care and service to the increasing number of cancer patients. The source of funds for the salaries and benefits of the additional FTEs is Health-related Patient Income.

FTE limitation: 14,366.1
