BOARD OF
VISITORS

ISSUE NO. 3 | NOVEMBER 2023

Dear colleagues,

It was a pleasure to gather the Board of Visitors members on Nov. 8-9. MD Anderson is making exciting advances to help save lives, and you play a key role in that progress. Let's keep the momentum going in the New Era to End Cancer.

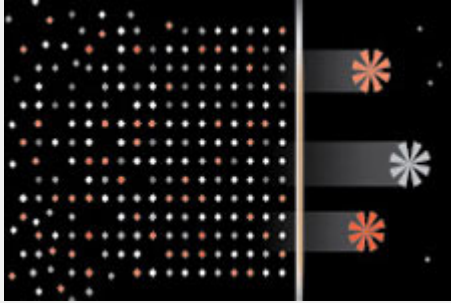

This issue of the BOV Quarterly Email builds on the energy of this year's Annual Meeting, committee meetings and launch of the Institute for Data Science in Oncology. I encourage you to explore these videos, stories and resources, and I thank you for your leadership and service.

Sincerely,

Clarence P. Cazalot Jr.
BOV/Campaign Chair

Video: Institute for Data Science in Oncology launches

Board members get a first look at the new Institute for Data Science in Oncology. Learn how IDSO integrates the power of data science with MD Anderson's unparalleled expertise to transform research and patient care.
