

BOARD OF VISITORS

ISSUE NO. 4 | FEBRUARY 2024

Dear colleagues,

I hope your 2024 is off to a productive start. In this new era to end cancer, the Board of Visitors is driving the momentum of MD Anderson's most ambitious philanthropic campaign yet. As you'll read below, you have access to an array of campaign resources to help you engage others in the campaign priorities that fuel our mission.

Your leadership and support are critical at this juncture. Be sure to participate in upcoming committee meetings, attend events, talk to your network and connect with your gift officer. It will take all of us, working together, to end cancer. I remain grateful for your partnership in **Making Cancer History®**.

Sincerely,

Clarence P. Cazalot Jr.
BOV/Campaign Chair
