

Dear colleagues,

As we enter this season of reflection and celebration, I want to extend my heartfelt holiday wishes and gratitude. Your dedication and leadership as part of the MD Anderson Cancer Center Board of Visitors (BOV) continue to shape the future of cancer care in powerful ways.

This fall, we celebrated the public launch of [Only Possible Here. The Campaign to End Cancer](#), MD Anderson's most ambitious comprehensive philanthropic campaign ever. Your exceptional contributions of time, talent, treasure, ties and testimony created incredible momentum during the campaign's silent phase, enabling us to raise nearly \$2 billion toward our \$2.5 billion goal — thank you.

Only Possible **Here** is a bold statement reinforcing that, together, we can end cancer and change lives in ways that are only possible at the nation's No. 1 cancer center. Our three campaign focus areas — elevate the patient experience, expedite breakthroughs and expand our reach — form the strategic framework driving our ability to achieve our greatest ambitions.

As we look to the year ahead, I'm filled with optimism. With your continued support, we'll keep pushing boundaries and taking strides toward **Making Cancer History®**. Thank you for being part of this extraordinary journey. Wishing you a joyful holiday season and a bright new year.

Sincerely,

Jim Gallogly
BOV Chair
