# A Comprehensive Board Review in Hematology and Medical Oncology

## GOAL

The course is a 6-day comprehensive review of current standards and practices in the management of patients with blood disorders and malignancy. The course is designed to enable the participant to effectively prepare for the American Board of Internal Medicine certification and recertification examinations in Hematology and Medical Oncology. Advances in clinical pharmacology, molecular genetics and risk assessment, and radiation oncology will be included.

## EDUCATIONAL OBJECTIVES

At the conclusion of this educational activity, participants should be able to

- Apply knowledge gained to prepare for the hematology and medical oncology subspecialty and recertification examinations in hematology and medical oncology (*Knowledge, Competence*);
- Utilize current standards of care for patients with cancer, blood disorders and malignancies (*Knowledge, Competence, Performance*);
- Demonstrate proficiency of knowledge in hematology and medical oncology (*Knowledge, Competence, Performance*);
- Incorporate recent advances in management of hematologic and oncologic patients (*Knowledge, Competence, Performance*); and
- Define molecular determinants of cancer risk and apply this knowledge in practice (*Knowledge, Competence, Performance*).

## TARGET AUDIENCE

This program should be of interest to physicians, APNs, practice medicines and nurses.

## EDUCATIONAL METHODS

- Lectures
- Case-based Question-and-Answer Sessions (in board examination format)
- Syllabi (hard copy)
- **A/V USB flash drive recording of conference proceeding.** The A/V USB flash drive recording of conference proceedings will be mailed to all registered conference participants approximately 2 weeks after the conference.
- Sakai – an online course management system

## EVALUATION

A course evaluation form will provide participants with the opportunity to review each session and speaker, to identify future educational needs, and to comment on any perceived commercial bias in the presentations.

## ACCREDITATION/CREDIT DESIGNATION

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The University of Texas MD Anderson Cancer Center and Baylor College of Medicine. The University of Texas MD Anderson Cancer Center is accredited by the ACCME to provide continuing medical education for physicians.

The University of Texas MD Anderson Cancer Center designates this live activity for a maximum of 48.25 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## MOC POINTS

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 48.25 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

In order to receive MOC points, you must pass the post-test with a score of 70% or higher.

## CME CERTIFICATES AND ATTENDANCE VERIFICATION CERTIFICATES

Certificates awarding *AMA PRA Category 1 Credit™* or certificates documenting attendance will be distributed to participants when an individual departs the conference. To obtain a CME certificate, physicians must submit a completed evaluation questionnaire and a *CME Verification Form*.

Upon request, a record of attendance (certificate) will be provided on-site to other health care professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.

## PAST CONFERENCES - REVIEWS AND TESTIMONIALS

*"As a first time attendee and visitor to MD Anderson, the overall organization and quality of activity was very impressive and met every expectation. Would recommend this activity to any colleague/associate."*

*"Excellent review course. The conference was well organized and ran smoothly."*

*"Exceeded expectations; worth every penny."*

*"Superb conference. Exceptional, impressive"*

*"Very well organized. Amazing how well support staff kept program on time, and fed everyone."*

*"Very helpful to have these speakers"*

*"Speakers did well with schedule also."*

*"Great educational experience. Found it very beneficial"*

*"This course was put together well.  
I will recommend this course to all upcoming fellows.  
This course was great."*

*"I am a PA and this course was a very detailed learning experience."*

*"A very well organized program. Excellent speakers,  
I will definitely be back."*

*"Passed the exam thanks to this course. Overall very pleased!!!!!!"*

*"The conference was beyond my expectations."*

*"This course was outstanding in every way. I had done most of my planned preparation before the course so that the course would be truly review. I found the material to be right on target for what the boards would be testing, and helped me identify what areas in needed to prioritize for my final review. The majority of the talks avoided long summaries of the history of clinical trial results, which is not tested on the boards. My group is hiring 3 2017 graduates and we are hoping to have them attend the MD Anderson review course next fall."*

*"This course was very comprehensive in all oncology topics. I decided to take it for professional updates and I do plan on coming back yearly."*

*"This was, by far, the best Board Review course I took in years."*

Please let us know what specific topics, issues, or questions you wish to see addressed or emphasized in this activity. Fax or e-mail CME/Conference Management. All responses will be forwarded to the Program Chairs for consideration.

## ENTERTAINMENT

**Note: The conference will not be providing transportation for any of the events listed below. Transportation is available with MetroRail for some of the events. For more information visit [www.ridemetro.org](http://www.ridemetro.org)**

### Theater District

Houston's downtown Theater District is second only to New York for the number of theater seats in a concentrated downtown area. It is also one of only five cities in the United States with permanent professional resident companies in all of the major performing arts disciplines of opera, ballet, music and theater.

Visit the following website below to learn more about Houston Theater District.

<https://www.visithoustontexas.com/listings/houston-theater-district/20304/>

You'll also find Bayou Place just around the corner which includes Sundance Cinemas, Revention Music Center, Hardrock Cafe and a variety of other restaurants. Family-favorite, Landry's Downtown Aquarium, is also located within a few blocks of each of the major theaters.

### Museum District

The Houston Museum District is home to sixteen institutions, offering a range of museums, galleries, and art and cultural centers.

The Houston Museum District is home to sixteen institutions, offering a range of museums, galleries, and art and cultural centers.

- The Museum of Fine Arts, Houston is the largest art museum in America south of Chicago, west of Washington, D.C., and east of Los Angeles. Included in its extensive permanent collection are pieces by Renoir, Monet, Picasso, Georgia O'Keefe, Matisse and Rodin.
- The Houston Museum of Natural Science is a five-venue complex dedicated to the knowledge of natural science. It is home to the Cockrell Butterfly Center, Burke Baker Planetarium and the Wortham IMAX® Theatre.
- The Holocaust Museum Houston - Charged with educating students and the public about the dangers of prejudice and hatred in society, The Holocaust Museum Houston is dedicated to remembering the six million Jews and other innocent victims of the Holocaust and honoring the legacy of the survivors. Using the lessons of the Holocaust and other genocides, they teach the dangers of hatred, prejudice and apathy.

Visit the following websites to learn more: [www.mfah.org](http://www.mfah.org), [www.hmns.org](http://www.hmns.org) and [www.hmh.org](http://www.hmh.org)

### Sports Center

Home to the Astros baseball, Rockets basketball, Dynamo/Dash soccer and Texans football. Professional sports don't get much bigger than in Houston.

**Baseball:** Friday & Saturday, September 15th & 16th

- **Houston Astros vs Seattle Mariners** – For game time and ticket information visit [www.houston.astros.mlb.com](http://www.houston.astros.mlb.com) or call 1-877-927-8767.

## Attractions

**Sam Houston Race Park** – Live thoroughbred racing will keep you on the edge of your seat at Sam Houston Race Park. Exciting live horse racing, eight bars, two restaurants and the best music under the stars. Find out why Sam Houston Race Park is the place to be for live entertainment! Racing is at 7:00 pm Thursday/Friday and at 5:00 pm on Saturday. For more details visit [www.shrp.com](http://www.shrp.com) or call 281-807-8700.

**Kemah Boardwalk** – A waterfront getaway just 20 miles from downtown Houston. In addition to the many restaurants, a major attraction is the 50,000-gallon aquarium that gives Aquarium Restaurant its name. Guests to the boardwalk also enjoy shopping, games and rides. For more information, check out [www.kemahboardwalk.com](http://www.kemahboardwalk.com)

**Galveston Island** – South of Houston is Galveston, an island rich in history. The Strand Historic District is a twenty-six square block area of shopping, dining and art galleries. Within the Strand District, one will find Moody Mansion, Ashton Villa and the Bishop's Palace—opulent, historic Victorian homes of the late 1800's.

Also found on Galveston Island, Moody Gardens is an experience like no other. The Rainforest Pyramid is lush with exotic plants, birds and fish, while the Aquarium Pyramid will submerge visitors into the beauty of ocean life. Visit [www.galveston.com](http://www.galveston.com) to learn more about what the island has to offer.

**Space Center Houston** – is the official visitor's center of NASA's Johnson Space Center. Learn about the history and future of space exploration through the center's interactive exhibits. Learn more at [www.spacecenter.org](http://www.spacecenter.org)

### Shopping Guide

Everything is bigger in Texas and shopping in Houston is no different. From chic boutiques to quaint gift shops, upscale department stores to bargain outlets; chances are you will find it here

**Rice Village** – One of the oldest shopping areas in town, Village Arcade in Rice Village is a great mix of classic stores and unique boutiques. Located near Rice University and the Texas Medical Center, the Village offers shoppers an eclectic experience. Get a sneak peek at [ricevillageonline.com](http://ricevillageonline.com)

**The Galleria** – is the number one shopping destination in Houston with more than 375 stores and restaurants, two hotels and an ice rink. Fashion icons such as Louis Vuitton, Gucci and Tiffany & Co. are showcased here next to everyday favorites like Gap and Macy's. Need a break? Take a seat and watch the ice skaters twirl. Visit [simon.com/](http://simon.com/) mall to learn more about what you'll find (or won't find) in the Galleria.

**Harwin Drive** – Looking for basement bargains? Head over to Harwin Drive in West Houston. Warehouse stores sell leather goods (some real and some faux), jewelry, clothing and other accessories. The area is similar to New York's Orchard Street with must-have items at unbeatable prices.

Dining Guide

Houstonians eat out more than residents of any other city and it's no wonder why. Houston is home to more than 11,000 restaurants and some of the best can be found in the downtown scene.

For a listing of the best restaurants in Houston go to [www.zagat.com/houston](http://www.zagat.com/houston).

**A Reminder:** Meeting room temperatures and personal comfort ranges vary widely. Since meeting rooms always seem cold, please bring either a sweater or jacket.

The University of Texas MD Anderson Cancer Center has implemented a process whereby everyone who is in a position to control the content of an educational activity must disclose all relevant financial relationships with any commercial interest that could potentially affect the information presented.

MD Anderson also requires that all faculty disclose any unlabeled use or investigational use (not yet approved for any purpose) of pharmaceutical and medical device products. Specific disclosure will be made to the participants prior to the educational activity.

Agendas are subject to change because we are always striving to improve the quality of your educational experience. MD Anderson may substitute faculty with comparable expertise on rare occasions necessitated by illness, scheduling conflicts, and so forth.
