# Medical Oncology and Hematology 2019:

Multidisciplinary Approaches that Improve Coordination of Care

## Focus

The goal of this activity is to address the ongoing need for educating practicing physicians about new cancer therapies and screening, current treatment guidelines and resources available to assist them in their cancer screening practices.

Also, the activity will focus on new advances within the last year along with other groundbreaking scientific discoveries. In conclusion, physicians will have a new awareness and knowledge in optimal use of new therapies for cancer and screening practices.

## Educational Objectives

After attending the conference, participants should be able to:

- Incorporate prognostic factors and guidelines by tumor site into clinical practice, providing more accurate, personalized diagnosis and optimal treatment options for improved patient care in hematology and solid tumor oncology (*Knowledge, Competence, Performance, Patient Outcomes*);
- Be equipped with an awareness of the cancer care continuum and the place of primary care as well as the resources available for assisting patients through phases of cancer survivorship care (*Knowledge, Competence, Performance, Patient Outcomes*);
- Provide patients with prevention guidance through early detection and clinical intervention (*Knowledge, Competence, Performance, Patient Outcomes*);
- Apply current screening guidelines and recommendations to detect cancer in primary care setting early enough for optimal referral to specialists who provide up-to-date optimal treatment plans (*Knowledge, Competence, Performance, Patient Outcomes*).

## Educational Methods

Lecture/Didactic – Question and Answer Sessions

## Target Audience

This conference should be of value to medical oncologists, hematologists, primary care physicians and other healthcare professionals.

## Evaluation

A conference evaluation link will be included in the final program. This online survey will give participants the opportunity to comment on the value of the program content to their practice

decisions, performance improvement activities, or possible impact on patient health status. Participants will also have the opportunity to comment on any perceived commercial bias in the presentations as well as to identify future educational topics.

## Accreditation/Credit Designation

### PHYSICIANS

The University of Texas MD Anderson Cancer Center is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Texas MD Anderson Cancer Center designates this live activity for a maximum of 15.50 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## Ethics

The session entitled, *Medical Ethics*, has been designated by The University of Texas MD Anderson Cancer Center for 1.00 *AMA PRA Category 1 Credits™* in medical ethics and/or professional responsibility.

## CME Certificates and Attendance Verification Certificates

Certificates awarding *AMA PRA Category 1 Credit™* or certificates documenting attendance will be emailed when an individual completes the online CME Verification process after the conference.
