Focus

This is the 7th Oncologic Emergency Medicine Conference at The University of Texas MD Anderson Cancer Center.

Our conference aims to continue to fill the knowledge gap in oncologic emergency medicine by providing information in an interactive forum that in turn enhances medical decision-making by healthcare providers.

Our proposed program will cover a variety of topics including:

- Oncologic Emergencies in variety of subspecialties: Dermatology, Pediatric, Infectious Disease, Cardiology, Gastroenterology, Pulmonary, Pain and Palliative Care
- Case Reviews of common oncologic emergencies
- Diagnostic Imaging & Ultrasound in Cancer Patients
- Difficult Conversations – End of Life
- Identification of Immunotherapy Side Effects in the ER
- Oncologic care of the bone marrow transplant patient in the ED
- Psychiatric Concerns
- Overall Future of Oncologic Emergency Medicine – Outcomes and Change in Practice

Educational Objectives

After attending the conference, participants should be able to:

- Identify emergent medical conditions (e.g. adverse events, symptoms, pain, etc.) that occur in cancer patients and demonstrate best practices to maximize quality of care within an emergency medicine environment (*Knowledge, Competence, Performance, Patient Outcomes*);
- Educate on supportive care treatment plans for cancer patients that experience complex symptoms such as Superior Vena Cava Syndrome, Tumor Lysis Syndrome, neurologic syndromes, neutropenic fever, pulmonary embolisms, airway management, bone marrow transplant complications, as well as complications in pediatric patients (*Knowledge, Competence, Performance, Patient Outcomes*);
- Integrate palliative care skills, inclusive of advance care directives, and assessing the emotional state of cancer patients during the emergency visit (*Knowledge, Competence, Performance, Patient Outcomes*);
- Provide an understanding of innovative cancer therapies, related side effects and treatment options (*Knowledge, Competence, Performance, Patient Outcomes*);
- Obtain a better understanding of oncologic emergency medicine (*Knowledge, Competence, Performance, Patient Outcomes*).

Educational Methods

Lecture/Didactic – Case Study – Audience Response System – Panel Discussion – Question and Answer Sessions – Poster Session

Target Audience

This conference should be of value to Physicians, Advanced Practice Providers, pharmacists, fellows, and residents.

Evaluation

A course evaluation survey will provide participants with the opportunity to comment on the value of the program content to their practice decisions, performance improvement activities, or possible impact on patient health status. Participants will also have the opportunity to comment on any perceived commercial bias in the presentations as well as to identify future educational topics.

Accreditation/ Credit Designation

PHYSICIANS

The University of Texas MD Anderson Cancer Center is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Texas MD Anderson Cancer Center designates this live activity for a maximum of 12.00 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Ethics

The session entitled, Difficult Conversations, has been designated by The University of Texas MD Anderson Cancer Center for .50 *AMA PRA Category 1 Credits™* in medical ethics and/or professional responsibility.

ABIM Maintenance of Certification

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 12.00 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Participant completion data will be shared with and transmitted to the ACCME on the participant's behalf.

In order to receive MOC points, you must pass the post-test with a score of 70% or higher.

ACEP Credits

The 2020 Oncologic Emergency Medicine Conference has been approved by the American College of Emergency Physicians for 10.75 hours of ACEP Category I Credit.

Pharmacists

If you are licensed in the state of Texas, you may now use CME credits toward your relicensure requirements.

CME Certificates and Attendance Verification Certificates

Certificates awarding *AMA PRA Category 1 Credit™* or certificates documenting attendance will be emailed when an individual completes the online CME Verification process after the conference.

Call for Abstracts

DEADLINE FOR ABSTRACT
SUBMISSION IS DECEMBER 9, 2019

The 2020 Oncologic Emergency Medicine Conference invites the submission of abstracts regarding clinical care or best practices in an emergency care setting. The goal is to provide the audience an opportunity to collaborate and stimulate discussions specifically on how an emergency center delivers quality patient care whether in an academic, hospital or community based setting. The type of research can be qualitative or quantitative and have a focus in public health, health services, epidemiology, or public policy. Ideally, there should be a focus on the care of the cancer patient in an emergency room setting but work in areas commonly encountered in oncological patients such as sepsis, pain, electrolyte imbalances, symptom management, and palliative care measures are encouraged.

Authors may submit abstracts of completed work, work in progress, or work elsewhere within the past 12 months. Selected abstracts will be published in the Journal of Emergency Medicine.

ABSTRACT SUBMISSION INSTRUCTIONS:

Abstracts will only be accepted electronically (in PDF format) and should be uploaded to: <https://bit.ly/2Bi51go> (case sensitive) using Google Chrome or Mozilla Firefox browser.

The deadline for receipt of abstracts is 11:59 PM CST on December 9, 2019. Notification of acceptance for poster presentations will be acknowledged by December 20, 2019.

ABSTRACT FORMATTING INSTRUCTIONS:

Limit abstracts to 325 words, type in 12-point Times New Roman font, single spaced with one-inch margins, and left justified. Organize the abstract into: Background, Methods, Results, and Conclusions. Define all abbreviations. Abstracts must not contain copyrighted material unless permission has been obtained by the author/publisher.
