Making Cancer History®

GOAL

The goal of this activity is to disseminate information about the treatments and care provided for pancreatic cancer patients and the new research and technologies implemented, resulting in improved patient outcomes.

EDUCATIONAL OBJECTIVES

After attending the conference, participants should be able to

- Implement genetic testing of patients and family members to screen for those who are at risk for developing pancreatic cancer and other cancers (*knowledge, competence, performance, patient outcomes*);
- Evaluate, counsel and treat patients with pancreatic cancer at all stages of disease (locally advanced, resectable, borderline resectable, metastatic) (*knowledge, competence, performance*);
- Provide a comprehensive understanding of innovative and emerging cancer therapies, inclusive of the side effects, to the cancer patient (*knowledge, competence, performance, patient outcomes*); and
- Apprise fellow clinicians and healthcare providers of emerging paradigms of the latest clinical trials and supportive care (*knowledge, competence*).

TARGET AUDIENCE

This conference should be of interest to Physicians, Advanced Practice Providers, Nurses, Researchers, Fellows and Trainees.

EDUCATIONAL METHODS

- Lectures
- Case Study
- Question-and-Answer Session
- Panel Discussion

EVALUATION

A course evaluation survey will provide participants with the opportunity to comment on the value of the program content to their practice decisions, performance improvement activities, or possible impact on patient health status. Participants will also have the opportunity to comment on any perceived commercial bias in the presentations as well as to identify future educational topics.

ACCREDITATION/ CREDIT DESIGNATION

The University of Texas MD Anderson Cancer Center is accredited by the Accreditation Council for Continuing

Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Texas MD Anderson Cancer Center designates this live activity for a maximum of 12.00 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ABIM MAINTENANCE OF CERTIFICATION (MOC)

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 12.00 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the

CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

In order to receive MOC points, you will need to pass the post-test with a score of 70% or higher. You will be able to take the test as many times as you need to in order to pass.

Participant completion data will be shared with and transmitted to the ACCME on the participant’s behalf.

ETHICS

The “Supportive Care” session has been designated by The University of Texas MD Anderson Cancer Center for 1.25 AMA PRA Category 1 Credits™ in medical ethics and/or professional responsibility.

**CME CERTIFICATES
AND ATTENDANCE
VERIFICATION
CERTIFICATES**

Certificates awarding *AMA PRA Category 1 Credit™* or certificates documenting attendance will be emailed when an individual completed the online CME Verification and Evaluation Questionnaire process after the conference.

A record of attendance (certificate) will be available online to other health care professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.
