A Comprehensive Board Review in Hematology and Medical Oncology — Virtual Course —

GOAL

The course is a 6-day comprehensive review of current standards and practices in the management of patients with blood disorders and malignancy. The course is designed to enable the participant to effectively prepare for the American Board of Internal Medicine certification and recertification examinations in Hematology and Medical Oncology. Advances in clinical pharmacology, molecular genetics and risk assessment, and radiation oncology will be included.

EDUCATIONAL OBJECTIVES

At the conclusion of this educational activity, participants should be able to:

- Apply knowledge gained to prepare for the hematology and medical oncology subspecialty and recertification examinations in hematology and medical oncology (*Knowledge, Competence*);
- Utilize current standards of care for patients with cancer, blood disorders and malignancies (*Knowledge, Competence, Performance*);
- Demonstrate proficiency of knowledge in hematology and medical oncology (*Knowledge, Competence, Performance*);
- Incorporate recent advances in management of hematologic and oncologic patients (*Knowledge, Competence, Performance*); and
- Define molecular determinants of cancer risk and apply this knowledge in practice (*Knowledge, Competence, Performance*).

TARGET AUDIENCE

This program should be of interest to Physicians, Advanced Practice Providers, APNs, and Nurses.

EDUCATIONAL METHODS

- Lectures/Didactic
- Case-based Question-and-Answer Sessions (in board examination format)
- Virtual Live Streaming Course
- **A/V USB flash drive recording of conference proceeding.** (Separate fee)
- Study – an online course management system

EVALUATION

A course evaluation survey will provide participants with the opportunity to comment on the value of the program content to their practice decisions, performance improvement activities, or possible impact on patient health status. Participants will also have the opportunity to comment on any perceived commercial bias in the presentations as well as to identify future educational topics.

ACCREDITATION/CREDIT DESIGNATION

The University of Texas MD Anderson Cancer Center is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Texas MD Anderson Cancer Center designates this live activity for a maximum of 53.50 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

MOC POINTS

American Board of Internal Medicine

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 53.50 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC points. In order to receive MOC points, you must pass the post-test with a score of 70% or higher.

Participant completion data will be shared with and transmitted to the ACCME on the participant's behalf.

Please Note: The deadline to claim MOC Points and CME Credits is October 19, 2020.

CME CERTIFICATES AND ATTENDANCE VERIFICATION CERTIFICATES

Certificates awarding *AMA PRA Category 1 Credit™* or certificates documenting attendance will be available to participants once they complete the on-line evaluation. To obtain a CME certificate, physicians must complete the on-line evaluation questionnaire and CME Verification Form.

A record of attendance (certificate) will be available online to other health care professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.

Continuing Professional Education reserves the right to cancel activities prior to the scheduled date, if low enrollment or other circumstances make it necessary. Each registrant will be notified by mail, e-mail, or at the phone or fax numbers given on the registration form.

In case of activity cancellation, the liability of Continuing Professional Education is limited to the registration fee. Continuing Professional Education will refund the full registration fee.

Continuing Professional Education reserves the right to limit the number of participants in a program and is not responsible for any expenses incurred by an individual whose registration is not confirmed and for whom space is not available. Please check the website.

PAST CONFERENCES - REVIEWS AND TESTIMONIALS

“The conference was well worth my time. It is nice to be able to take in as much information as possible and have the option of talking to the speakers afterwards. If this board review is still around in ten years (I hope it is), I will certainly attend it again as I study for my recertification.”

“Fantastic course! It helped pass my boards with flying colors!”

“As a first time attendee and visitor to MD Anderson, the overall organization and quality of activity was very impressive and met every expectation. Would recommend this activity to any colleague/associate.”

“Excellent review course. The conference was well organized and ran smoothly.”

“Exceeded expectations; worth every penny.”

“Superb conference. Exceptional, impressive”

“Very well organized. Amazing how well support staff kept program on time, and fed everyone.”

Please let us know what specific topics, issues, or questions you wish to see addressed or emphasized in this activity. Fax or e-mail Continuing Professional Education. All responses will be forwarded to the Program Chairs for consideration.
