

PRIOR TO ROTATION: Frequently Asked Questions for Short-term Trainee Appointment

“Short-term” refers to trainees that are based at another institution and are rotating at MD Anderson for approximately four weeks up to one semester.

This document is intended to answer common questions that may arise before your clinical rotation at UT MD Anderson Cancer Center.

Required Documents

IMMUNIZATION COMPLIANCE

What are the requirements for immunization compliance?

- Immunization compliance is completed through Certified Profile, an online service that is utilized by Employee Health where a \$20 processing fee is required. **Please note that this will need to be completed even if you have already obtained clearance from your current institution.** You will need to upload your documents into Certified Profile, and once completed, you may then upload the Compliance Report into Discover. Your immunization documents must be received and identified as “Compliant” by CertifiedBackground.com at least 10 days before your orientation start date.

The immunization requirements are listed below;

- Measles, Mumps & Rubella (MMR):
 - 2 vaccinations
 - Positive antibody titers for all 3 components (lab reports required)
- Varicella (Chicken Pox):
 - 2 vaccinations
 - Positive antibody titer (lab report required)
 - Medical documentation of history of Chicken Pox
- TB Skin Test:
 - A negative PPD skin test AND Respiratory Query within 3 months of Certified Background's account initiation.
 - If PPD skin test is Positive, submit positive PPD skin test AND a Negative Chest X-Ray dated on or after the positive PPD skin test result, but within the past 10 years AND Respiratory Query within 3 months of Certified Background's account initiation.
- Tetanus, Diphtheria & Pertussis (Tdap):
 - Must be documentation of a Tdap booster within the past 10 years

Questions regarding immunization requirements should be directed to Certified Profile at 888-666-7788 or studentservices@certifiedprofile.com
