

Project TEACH: Tobacco Education and Cessation in the Health System

MCON 1373

GOALS:

- Appropriate treatment of nicotine addictions as part of integral care for patients, thus reducing risk of premature deaths in this population. (*Knowledge, Competence, Performance*)
- To improve counselors' skills and provide additional breadth of experience in treating psychiatric patients' tobacco dependence disorders. (*Knowledge, Competence, Performance*)
- To improve providers' technical abilities to effectively prescribe tobacco cessation medications. (*Knowledge, Competence, Performance*)

TARGET AUDIENCE

This activity will meet the needs of practicing physicians, psychiatrists, physician assistants and advance practice providers.

EDUCATIONAL OBJECTIVES

At the conclusion of this educational activity, the participant should be able to:

- Implement best practice patient screening and care procedures. (*Knowledge, Competence, Performance, Patient Outcomes*)
- Demonstrate understanding of best practices and complications related to tobacco cessation in the behavioral health population. (*Knowledge, Competence, Performance*)
- Identify multiple treatment plans, techniques and available resources to offer as patient care. (*Knowledge*)
- Provide patient education on new and emerging tobacco products. (*Knowledge, Competence*)
- Evaluate the effectiveness of the treatment being offered. (*Knowledge, Competence*)

Release Date: March 1, 2017

Expiration Date: February 28, 2019

ACCREDITATION/CREDIT DESIGNATION

The University of Texas MD Anderson Cancer Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Texas MD Anderson Cancer Center designates this live activity for a maximum of 1.00 *AMA PRA Category 1 Credit*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CME CERTIFICATES AND ATTENDANCE CERTIFICATES

Certificates awarding *AMA PRA Category 1 Credit*[™] or certificates documenting attendance will be issued to participants when an individual completes the *CME Verification Form* via the Taking Education and Cessation in the Health System Survey. The survey link will be sent via email and will be valid for 7 days after the webcast has taken place.

Non-Physicians will receive a certificate of participation in accordance with state nursing boards, specialty societies, or other professional associations.
