Applicants to the Health Care Disparities, Diversity and Advocacy program may apply for admission when the majority of prerequisite courses are completed. The prerequisite courses may be taken at any regionally accredited college/university with a grade of C- or better. Courses are listed using the Texas Common Course Numbering System (tccns.org).

Admission into the program is competitive. Learn more at mdanderson.org/SHApply.

Health Care Disparities, Diversity and Advocacy

Fall 2023 Admission

Frequently Asked Questions

When do I turn in my admission application for Fall 2023?

The application will be available starting September 15, 2022. You should submit the application, transcripts of each college attended, essay and three professional recommendation forms before the priority deadline of April 1, 2023. To ensure documents are received before the priority deadline, it's recommended that you apply two months before the deadline.

Can I apply for Spring admissions?

Yes, you can apply for Spring admissions. Refer to the Spring Admissions Prerequisite and FAQs sheet for details.

New students enter the Health Care Disparities, Diversity and Advocacy program in the Fall or Spring semester.

Can I apply for Summer admissions?

No, we do not admit new students for summer.

Can I enroll in classes part-time?

Yes, enrollment is offered full-time or part-time. View the courses and details [here](#).

I've not finished with all the prerequisite courses. Can I still apply for admission?

Yes, if the majority of the prerequisite courses are completed, you may apply for admission. The more prerequisite courses you have completed at the time of application, the better.

What factors are considered in the [admission process](#)?

Admission to the program is competitive and holistic. This means that an admissions committee will look at all the factors below when admitting a student. Meeting the minimum requirement does not guarantee acceptance.

- (1) A minimum of 2.50 in all three areas: Overall GPA, science GPA and prerequisite GPA
- (2) Number of completed prerequisite courses at the time of application
- (3) Essay (the essay prompt will appear on the online admission application)
- (4) Three Professional Recommendations

When will I receive my admission decision?

An admission decision will be completed near June 2023.

How can I learn more about the program?

You can view a pre-recorded information session, which is on the DDA homepage [here](#).

Do you offer an on-line option?

Yes, the program is offered in an online learning format. You will have online courses and preceptorships.

Health Care Disparities, Diversity and Advocacy

Fall 2023 Admission

Frequently Asked Questions

I was accepted for Fall 2023 to Health Care Disparities, Diversity and Advocacy. Due to incomplete prerequisite courses, I was accepted into the program conditionally. What is the deadline to complete my outstanding prerequisite courses?

If you are enrolled in the full-time track, you must finish any outstanding prerequisite course no later than December 2024.

If you are enrolled in the part-time track, you must finish any outstanding prerequisite course no later than December 2025.

Our recommendation is to finish any outstanding prerequisite course as soon as possible.

What is a preceptorship?

A preceptorship is an opportunity to work with professionals in the fields of advocacy and diversity to gain beneficial practical knowledge and experience. Preceptorship courses are offered in the Fall and Spring semesters of the senior year.

I already hold a Bachelors Degree. Can I apply for this program?

Yes, you can apply. Upon graduation, you will earn a second Bachelor Degree.

I already hold a bachelors degree. Can you waive all the prerequisite courses?

No, despite holding a prior degree, prerequisite requirements cannot be waived. However, applicable courses from your prior degree may be used toward the prerequisite requirements.

When I graduate, what degree will I earn?

You will earn a Bachelor of Science in Health Care Disparities, Diversity and Advocacy. Your degree will be awarded from The University of Texas MD Anderson Cancer Center.
