Admissions for Fall 2018

Applicants to the 3-year program in Diagnostic Imaging must complete a minimum of 42 semester credit hours of the Texas Core Curriculum and prerequisite coursework. The courses may be taken at any regionally accredited college/ university. Completion of the prerequisite courses is recommended, but applicants with a minimum of 30 semester credit hours will be considered for admissions. Only courses with a grade of C- or better will be accepted. Courses are listed using the **Texas Common Course** Numbering System (www.tccns.org).
