

Primary Brain Lesion-Diffuse Glioma – Adult (Greater than or equal to 18 years old)

Disclaimer: *This algorithm has been developed for MD Anderson using a multidisciplinary approach considering circumstances particular to MD Anderson's specific patient population, services and structure, and clinical information. This is not intended to replace the independent medical or professional judgment of physicians or other health care providers in the context of individual clinical circumstances to determine a patient's care. This algorithm should not be used to treat pregnant women.*

NOTE:

This algorithm is currently undergoing updates by the Primary Brain Lesion Work Group at the University of Texas MD Anderson Cancer Center.
