

## What to bring with you

Thinking about your first appointment at MD Anderson can be overwhelming. It is hard to know how to prepare and what to pack. In addition to your medical records, you may want to consider bringing:

- Driving and parking directions provided
- A small notebook for writing notes and questions
- Comfortable clothing, shoes and something to keep you warm, such as a sweater or jacket
- A laptop or mobile device. You can use our free wireless network, MDA Guest, to connect to the internet. Don't forget your earbuds and charger.
- Earbuds and a charger for your device.
- Snacks and drinks.
- A book or a magazine to read

If you have questions, please call your patient access specialist.
