

*In Celebration of Caregiver Week*

myCancerConnection presents:

## HOUSTON PLAYBACK DINNER THEATRE

Enjoy a delicious dinner and share your story with  
the actors of Houston Playback Theatre.

**Thursday, November 3, 2016**

**6-8 p.m.**

**MD Anderson's South Campus Research Building,  
7435 Fannin St. at Old Spanish Trail.**

Complimentary parking available in the surface lot behind the building.

Join us for a special evening as Houston Playback Theatre performs an original form of improvisational theatre. Performances are a unique collaboration between actors and audience members. The actors aim for a performance where every voice and story — however ordinary, extraordinary, hidden or difficult — may be heard and told. Performances honor the uniqueness of each story while building and strengthening our connections to each other.

Event is free and open to adult cancer patients, survivors and caregivers,  
regardless of where treatment is received

Space is limited. RSVP today!
