

Leukemia Fellowship Program

Class of 2021-2022

Faustine Ong, M.D.

Clinical Fellow in Leukemia

MD Anderson Cancer Center Fellowship Program

2021 - 2022

Faustine Ong, M.D. is a first-year Fellow in The Leukemia Fellowship Program at The University of Texas MD Anderson Cancer Center, Department of Leukemia. Dr. Ong is passionate about improving care and outcome for older adult with hematologic malignancy. She plans to pursue hematology/oncology fellowship, specializing in hematologic malignancy.

Dr. Ong joined the Department of Leukemia in July 2021 as a fellow. She obtained her medical degree from Faculty of Medicine University of Indonesia in 2010.

In 2018, Dr. Ong completed her internal medicine residency training at Einstein Medical Center, Philadelphia. Afterward, she completed her geriatric medicine fellowship training at University of California Los Angeles in 2019.

Prior to joining the Leukemia fellowship program, Dr. Ong worked as a geriatrician where she provided complex care for older adults in resource-limited settings.

Dr. Ong enjoys playing piano, watching ballet performances, and travelling to experience different cultures.
