

Leukemia Fellowship Program

Class of 2021-2022

Sai Prasad Desikan, M.D.

Clinical Fellow in Leukemia

MD Anderson Cancer Center Fellowship Program

Sai Prasad Desikan, MD is a first year Fellow in The Leukemia Fellowship Program at The University of Texas MD Anderson Cancer Center, Department of Leukemia. He plans to specialize in hematology and stem cell transplant.

Dr. Desikan joined the Department of Leukemia as a fellow in July 2021. He obtained his MD from Ross University, Dominica in 2018. Dr. Desikan completed his residency training in Internal Medicine at White River Medical Center in Batesville, Arkansas in 2021. Dr. Desikan has presented at multiple state and national conferences. His goal in patient care is to empower his patients to make good decisions for themselves by providing them with the best medical knowledge in a caring and supportive atmosphere.

In his spare time, Dr. Desikan enjoys hiking, basketball, learning to play guitar, and spending time with his family.
