

Leukemia Fellowship Program

Class of 2021-2022

Tareq Abuasab, M.D.

Clinical Fellow in Leukemia

MD Anderson Cancer Center Fellowship Program

2021 - 2022

Tareq Abuasab, MD is a first year Fellow in The Leukemia Fellowship Program at The University of Texas MD Anderson Cancer Center, Department of Leukemia. As the field of hematology advances, both in diagnosis and treatment, from personalized medicine to targeted therapy for different types of leukemias specific goals, he plans to pursue a Leukemia Fellowship, with an interest to specialize in treating myeloid malignancy with a future's plan for a Bone Marrow Transplantation Fellowship.

Dr. Abuasab joined the Department of Leukemia in July 2021 as a fellow. He obtained his Medical Degree from the University of Jordan, Amman, Jordan, in 2011.

Dr. Abuasab completed his Internal Medicine Residency at the Shaare Zedek Medical Center in Jerusalem in 2017.

Prior to joining the Leukemia Fellowship Program, Dr. Abuasab completed his Hematology Fellowship at the Shaare Zedek Medical Center in 2020.

Dr. Abuasab is fluent in Arabic, English and Hebrew and is a soccer fan.
