

# Leukemia Fellowship Program

## Class of 2023-2024

---

### **Georgina Gener-Ricós, MD**

Clinical Fellow in Leukemia

MD Anderson Cancer Center Leukemia Fellowship Program  
**2022-2024**

**Georgina Gener-Ricós, MD** is a second Fellow in The Leukemia Fellowship Program at The University of Texas MD Anderson Cancer Center, Department of Leukemia, joining in July 2022. She plans to improve her knowledge in leukemia and myelodysplastic syndrome and participate in clinical research.

Dr. Gener-Ricós joined the Leukemia Fellowship Program in July 2022. She obtained her degree in Medicine from the University of Girona, Girona in 2015, and completed her residency training at Hospital Germans Trias i Pujol. She served as a hematology chief resident during her last year of her residency.

Prior to joining the Leukemia fellowship program, Dr. Gener-Ricós completed a two-year working as a hematologist at the Hospital Germans Trias i Pujol, Badalona being part of the myeloid group.

Dr. Gener-Ricós plays sports, especially paddle, and she loves traveling. She speaks fluent catalan (mother language) and Spanish.
