

# Leukemia Fellowship Program

## Class of 2022-2023

---

### **Georgina Gener-Ricós, MD.**

Clinical Fellow in Leukemia

MD Anderson Cancer Center Fellowship Program

**2022 - 2023**

**Georgina Gener-Ricós, MD**, is a first year Fellow in The Leukemia Fellowship Program at The University of Texas MD Anderson Cancer Center, Department of Leukemia. She plans to improve her knowledge in leukemia and myelodysplastic syndrome and to participate in clinical research.

Dr. Gener-Ricós joined the Department of Leukemia in July 2022 as a fellow. She obtained her degree in Medicine from the University of Girona, Girona in 2015. Dr. Gener-Ricós completed her residency training at Hospital Germans Trias i Pujol. She served as a hematology chief resident during her last year of her residency.

Prior to joining the Leukemia fellowship program, Dr. Gener-Ricós completed a two-year working as a hematologist at the Hospital Germans Trias i Pujol, Badalona, involved in the myeloid group.

Dr. Gener-Ricós plays sports, especially paddle, and she loves traveling. She speaks fluent catalan (mother language) and Spanish.
