

# Leukemia Fellowship Program

## Class of 2022-2023

---

### **Robert Briski, MD**

Clinical Fellow in Leukemia

MD Anderson Cancer Center Leukemia Fellowship Program

**2022 - 2023**

**Robert Briski, MD** is a first year Fellow in The Leukemia Fellowship Program at The University of Texas MD Anderson Cancer Center, Department of Leukemia. He plans to pursue a career in academic hematology/oncology.

Dr. Briski joined the Department of Leukemia in July 2022 as a fellow. He obtained his medical degree from Wayne State University School of Medicine, in Detroit, MI in 2018.

Dr. Briski completed his residency training at The University of Miami and was awarded resident teacher of the year from 2020-2021. Dr. Briski extended his residency an additional year to serve as chief medical resident.

Dr. Briski enjoys many activities in his spare time ranging from outdoor activities, arts and culture and continued self-education. One of his most favored activities is an annual ski trip, where he explores off-piste terrain. He would like to improve his Spanish and French, and desires to add the additional language of Portuguese to his repertoire.
