

Leukemia Fellowship Program

Class of 2023-2024

Robert Briski, MD

Clinical Fellow in Leukemia

MD Anderson Cancer Center Leukemia Fellowship Program
2022-2024

Robert Briski, MD is a second Fellow in The Leukemia Fellowship Program at The University of Texas MD Anderson Cancer Center, Department of Leukemia, joining in July 2022. He plans to pursue a career in academic hematology/oncology.

Dr. Briski obtained his medical degree from Wayne State University School of Medicine, in Detroit, MI in 2018, and completed his residency training at The University of Miami and was awarded resident teacher of the year from 2020-2021. He stayed on additional year at his residency to serve as chief medical resident.

Dr. Briski enjoys many activities in his spare time ranging from outdoor activities to arts and culture, to continued self-education. One of his most favored activities is an annual ski trip, whereby he explores off-piste terrain. He would like to improve his Spanish and French, and desires to add the additional language of Portuguese.
