Regular Programming

Programs are hosted in the PediDome or at bedside*. See calendar for dates.

**Arts in Medicine**  aim@mdanderson.org
Did you know the arts (visual, music, dance, etc.) can improve mood and overall wellbeing? The Arts in Medicine (AIM) team provides programming that can give you a sense of control and purpose, reduce anxiety, build confidence, learn and have fun! Check out regular programming opportunities with AIM.

**Camps & Special Events**  camps@mdanderson.org
Camps and events are where memories are made, places for a community to come together and a chance to experience a sense of normalcy. The Camps & Special Events team is here to host these opportunities all year long! All camps and events are open to patients, siblings, and parents/caregivers, and are completely free!

**Child Life**  childlife@mdanderson.org
A hospital can be a scary and confusing experience, but the Child Life team is here to help! Child Life Specialists and Assistants understand the impact of cancer, procedures and hospital stays. Their job is to help reduce this impact and improve coping skills through various types of programming. Email the team for more information!

**School**  school@mdanderson.org
Education is a major part of childhood, and it’s common for school activity to be interrupted throughout the cancer journey. Our certified, master-level teachers are here to help keep your educational needs a priority! Whether it’s enrolling in our accredited on-site private school, keeping up with homework from your school or needing support returning to your class, the School team is here for you. For patients enrolled in the school, check out regular programming opportunities with School!

Caregiver Support

**Parent Support Group**
Hosted by Candlelighters, join the Parent Support Group Meetings in person every other Wednesday at 11:00 am! See the calendar for this month’s dates. Email the Parent Consultant, Yvisela Sifuente (ysifuente@candle.org), for more information.

**Chair Yoga**
Caregivers! Need to stretch or move around for a bit? Join our Mind & Body Specialist, Courtney Reynolds, on Wednesdays at 4:00 pm for a 30-minute low impact chair yoga group session in the PediDome.

Thanks to the generosity of donors, lunch for patients on G9 is provided:

April 2 & April 16 by Chance for Hope
