5 consecutive Magnet® designations, the highest distinction for nursing excellence granted by the American Nurses Credentialing Center

WHO WE ARE
MD Anderson is one of the world’s most respected centers focused on cancer patient care, research, education and prevention. The institution is part of The University of Texas System and is one of only 51 comprehensive cancer centers designated by the National Cancer Institute.

MISSION
Eliminate cancer in Texas, the nation, and the world through outstanding programs that integrate patient care, research and prevention, and through education for undergraduate and graduate students, trainees, professionals, employees and the public.

VISION
We shall be the premier cancer center in the world, based on the excellence of our people, our research-driven patient care and our science. We are Making Cancer History®.

CORE VALUES
Caring • Integrity • Discovery Safety • Stewardship
