**WHO WE ARE**
MD Anderson is one of the world’s most respected centers focused on cancer patient care, research, education and prevention. The institution is part of The University of Texas System and is one of only 53 comprehensive cancer centers designated by the National Cancer Institute.

**MISSION**
MD Anderson’s mission is to eliminate cancer in Texas, the nation, and the world through outstanding programs that integrate patient care, research and prevention, and through education for undergraduate and graduate students, trainees, professionals, employees and the public.

**VISION**
We shall be the premier cancer center in the world, based on the excellence of our people, our research-driven patient care and our science. We are Making Cancer History®.

**CORE VALUES**
Caring • Integrity • Discovery
Safety • Stewardship
