MD Anderson is one of the world’s most respected centers focused on cancer patient care, research, education and prevention. The institution is part of The University of Texas System and is one of only 56 comprehensive cancer centers designated by the National Cancer Institute.

MD Anderson’s mission is to eliminate cancer in Texas, the nation, and the world through outstanding programs that integrate patient care, research and prevention, and through education for undergraduate and graduate students, trainees, professionals, employees and the public.

We shall be the premier cancer center in the world, based on the excellence of our people, our research-driven patient care and our science. We are Making Cancer History®.

LOCATIONS
MDAnderson.org/Locations
MD Anderson provides cancer care at several convenient locations throughout the Greater Houston area:
• Texas Medical Center
• West Houston
• League City
• Sugar Land
• The Woodlands
• Northwest Houston (Surgical & Specialty Care)
• The Woman’s Hospital of Texas
   (Gynecologic Oncology Clinic)

As part of the MD Anderson Oncology Program at Lyndon B. Johnson Hospital, a team of MD Anderson doctors provides multidisciplinary cancer care to underserved Texans in collaboration with Harris Health System.

MD ANDERSON® CANCER NETWORK
MDAnderson.org/CancerNetwork
MD Anderson collaborates with community hospitals and health systems across the U.S. and around the globe through MD Anderson Cancer Network®.
