

**UNIVERSITY OF TEXAS M.D. ANDERSON CANCER CENTER (UTMDACC) BIOLOGICAL
SPECIMEN TRANSPORT FORM
THIS DECLARATION IS REQUIRED FOR TRANSPORT**

Date: _____ Driver: _____ Transport Company: _____
From: Name: _____ Department: _____
Bldg: _____ Rm: _____ Ext: _____
To: Name: _____ Institute: _____
Address: _____ Bldg: _____ Rm: _____
City: _____ State: _____ ZIP: _____ Tele: _____

Specimen contents:

- | | |
|---|--|
| <input type="checkbox"/> Human cell line (including non-human primates) | <input type="checkbox"/> Non-human cell line |
| <input type="checkbox"/> Recombinant DNA | <input type="checkbox"/> Bacteria |
| <input type="checkbox"/> Human sample (including non-human primates) | <input type="checkbox"/> Virus |
| <input type="checkbox"/> Non-human sample | <input type="checkbox"/> Other: _____ |

Please check one:

- | | |
|---|---|
| <input type="checkbox"/> Potentially pathogenic or undetermined | <input type="checkbox"/> Non-pathogenic |
|---|---|

Note: Cells or products derived from low passage Human cell cultures must be considered to be potentially pathogenic human samples.

The above agent(s) are handled at UTMDACC at Biosafety Level (please check one):

- | | | |
|---|--|---|
| <input type="checkbox"/> BL 1 Agent(s) will not cause infection in normal healthy humans or animals. | <input type="checkbox"/> BL 2 Includes most infectious agents. Use "universal precautions". | <input type="checkbox"/> BL 3* Infectious aerosol hazard or agents that cause severe health hazards to humans. |
|---|--|---|

* **BL 3** (Class III) specimens may not be sent until UTMDACC, Environmental Health & Safety, is in receipt of form "Acceptance of Responsibility of Potentially Highly Pathogenic (Class III) Materials". Forms may be obtained from **UTMDACC, Environmental Health & Safety, Box 035, 1515 Holcombe Blvd., Houston TX 77030, Telephone: (713) 792-2888 Facsimile: (713) 745-2025.**

The above is true to the best of my knowledge.
