

STEP 1:
Open URL

<https://board.mdanderson.org/>

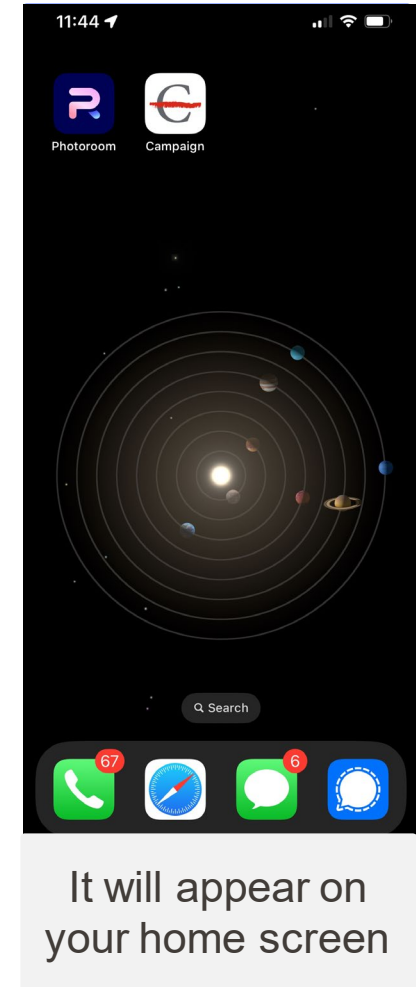

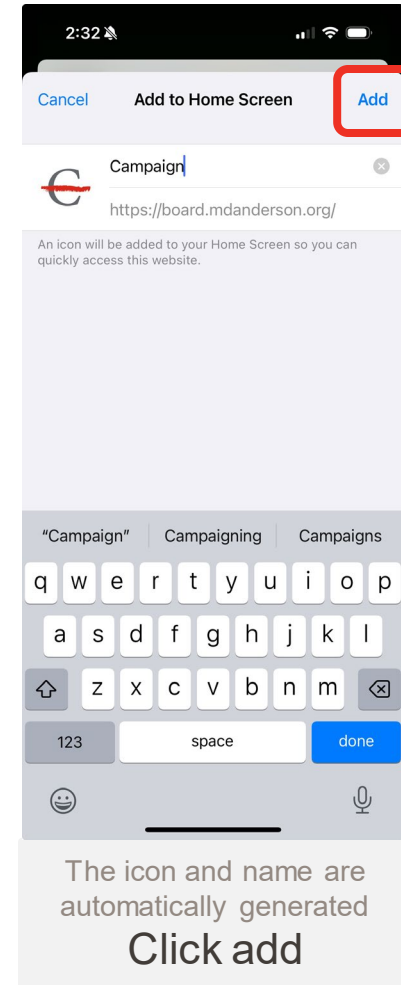

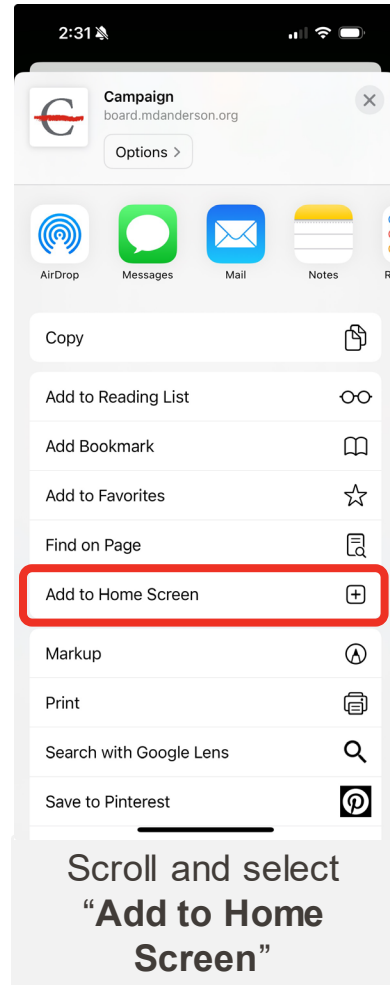

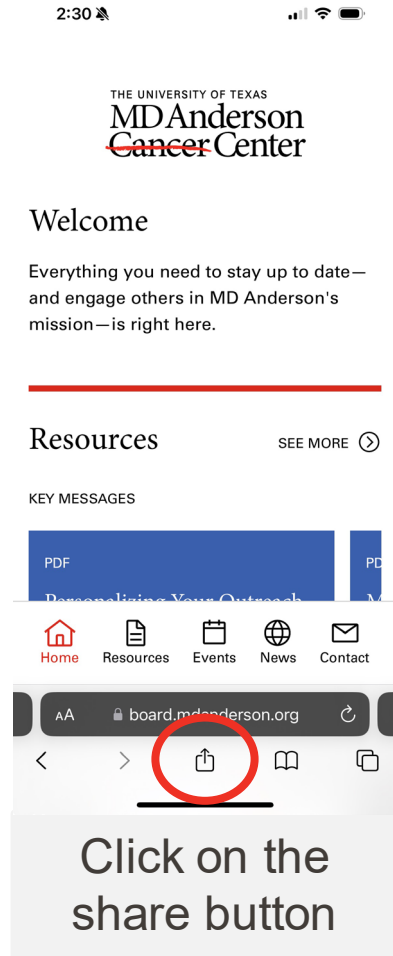

On either an iPhone or Android phone, use your **Chrome** or **Safari** app to open the link.

This will open the app on your phone.

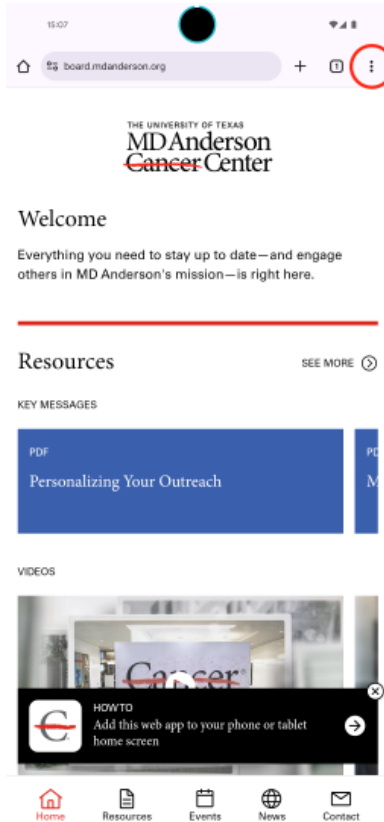

STEP 2.1:

Safari (iPhone) – Save to home screen

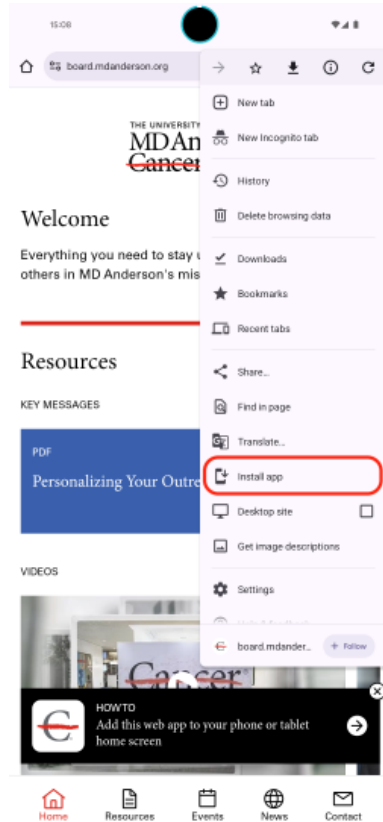

STEP 2.2:

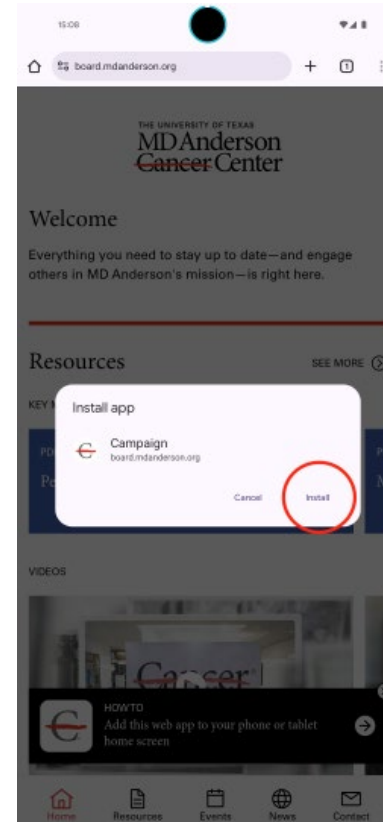

Chrome (Android) – Save to home screen

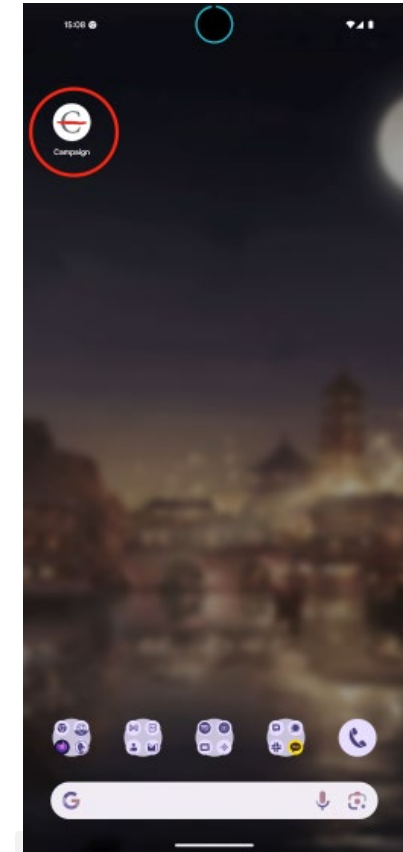

Click on the more button

Scroll and select "Install app"

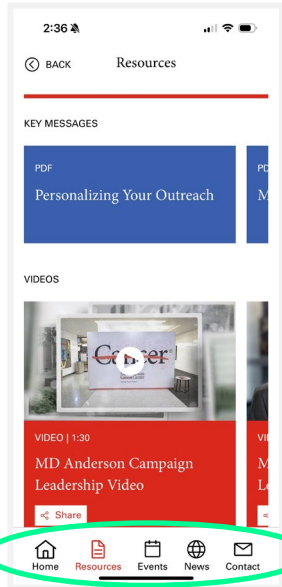

The icon and name are automatically generated
Click Install

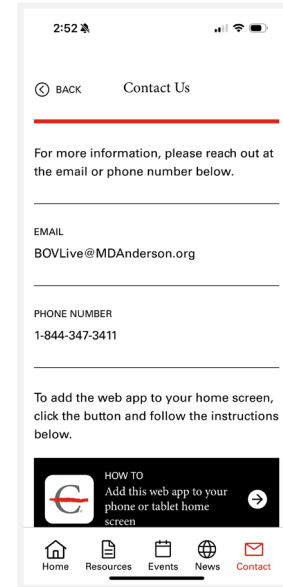

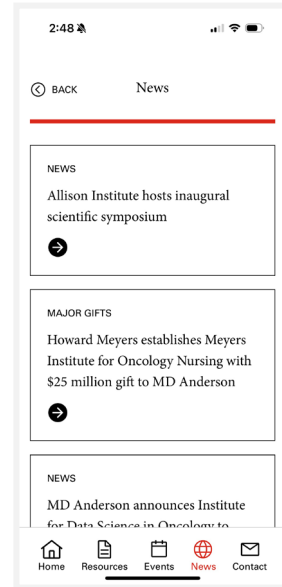

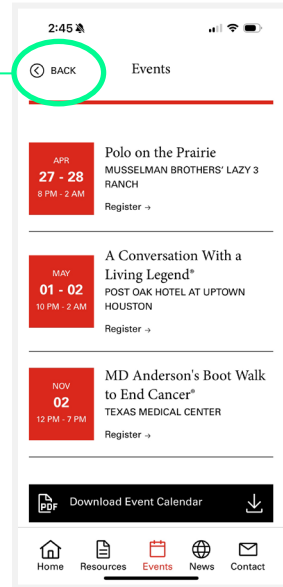

It will appear on your home screen

STEP 3: Navigating the app

You can navigate within the app by clicking the back button in each section or using the menu bar at the bottom of the screen
