**CAR T-cells: A New Breakthrough in Cancer Research**
Goal
The University of Texas MD Anderson Cancer Center and Physicians Network Symposium: Novel and Exciting Advances in Cancer Therapeutics and Future Prospects is planned for physicians and health care professionals; to improve knowledge, competence, performance, patient management, and outcomes. The symposium participants will obtain current information from disease site specific oncologists.

The interactive sessions during the symposium will allow participants to obtain educational feedback to better improve patient outcomes in the community setting. Keynote and didactic sessions will allow participants to expand their knowledge, increase their competence and improve management performance.

Educational Objectives
After attending the symposium, participants should be able to:
• Apply the evolving science to clinical care by utilizing the molecular tools and biomarkers to identify molecular subtypes of the major cancers (knowledge, Competence, Performance);
• Molecularly characterize cancer cells by identifying signaling pathways that influence cell growth and survival and the mechanisms of cell death that relate to newly developed oncology therapeutics (Knowledge, Competence);
• Analyze available local, regional, and systemic therapeutic agents to choose the most effective combination of treatments for each specific tumor to improve patient outcomes (Knowledge, Competence, Performance, Patient Outcomes);
• Evaluate immunological treatment plans based on the fundamentals of cancer immunology and how it relates to the survival of the cancer cell (Knowledge, Competence).

Target Audience
This symposium will be beneficial to medical oncologists; radiation oncologists; surgical oncologists; general surgeons; internists; physician assistants; oncology nurses; and advanced practice nurses involved in the care of patients with breast; gastrointestinal; genitourinary; head and neck; hematologic; lung; and melanoma cancers.

Educational Methods
• Lectures
• Case Presentations Including Interactive Audience Participation
• Question and Answer Sessions
• Panel Discussions

Evaluation
A course evaluation form will provide participants with the opportunity to comment on the value of the program content to their practice decisions, performance improvement activities or possible impact on patient health status. Participants will also have the opportunity to comment on any perceived commercial bias in the presentations as well as to identify future educational topics.
Accreditation/Credit Designation

The University of Texas MD Anderson Cancer Center is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Texas MD Anderson Cancer Center designates this live activity for a maximum of 15.50 AMA PRA Category 1 Credits™. Physicians should claim only credit commensurate with the extent of their participation in the activity.

Ethics Credits

The presentation, A Vaccine to Prevent Cancer is Here: Now Let’s Use It!, has been designated by The University of Texas MD Anderson Cancer Center for a total of .50 AMA PRA Category 1 Credits™ in medical ethics and/or professional responsibility.

MOC Points

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 15.50 MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

In order to receive MOC points, you must pass the post-test with a score of 70% or higher.

CME Certificates and Attendance Verification Certificates

Certificates awarding AMA PRA Category 1 Credit™ or certificates documenting attendance will be distributed to participants when an individual departs the conference. To obtain a CME certificate, physicians must submit a completed evaluation questionnaire and a CME Verification Form.

Upon request, a record of attendance (certificate) will be provided on-site to other health care professionals for requesting credits in accordance with state nursing boards, specialty societies or other professional associations.

Physicians Payments – Sunshine Act

MD Anderson complies with the Physicians Payments Sunshine Act as part of the Affordable Care Act (ACA). Accordingly, we may be required to collect information on transfer of value provided to any covered recipient under the ACA.

The University of Texas MD Anderson Cancer Center has implemented a process whereby everyone who is in a position to control the content of an educational activity must disclose all relevant financial relationships with any commercial interest that could potentially affect the information presented. MD Anderson also requires that all faculty disclose any unlabeled use or investigational use (not yet approved for any purpose) of pharmaceutical and medical device products. Specific disclosure will be made to the participants prior to the educational activity.

Agendas are subject to change because we are always striving to improve the quality of your educational experience. MD Anderson may substitute faculty with comparable expertise on rare occasions necessitated by illness, schedule conflicts, and so forth.

Photographing, audio taping and videotaping are prohibited.

Please let us know what specific topics, issues or questions you wish to see addressed or emphasized in this activity. Fax or e-mail CME/Conference Management. All responses will be forwarded to the Program Chair for consideration.

Nursing Excellence: The Art and Science of Oncology Nursing

October 21-22, 2017
See registration form for separate registration and fee.

Goal
The Oncology Nursing Society’s Position Statement on Lifelong Learning describes many areas in which to engage in lifelong learning, including the importance of “Advancing the science, art, and practice of oncology nursing.…” To that end, this Conference will blend these two important domains, Art and Science.

This two-day nursing conference is designed to enhance the participating nurses’ knowledge on best practices relevant to current trends in Oncology nursing care. The program examines the nurse’s role in applying cancer genetics to care planning, administering and managing symptoms of immunotherapy and vaccines, and strategies for oral oncolytic management. Further discussions include leadership, research-driven practice and the engagement of artful and patient-centered communications. Upon completion, attendees should be able to define practical applications within local practices utilizing cited principles of nursing care.

Nursing Credits
The University of Texas MD Anderson Cancer Center is an approved provider of continuing nursing education by the Texas Nurses Association — Approver, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.
Nurses may earn up to 14.00 contact hours for both days.

Registration Information

On-site registration for The University of Texas MD Anderson Cancer Center and MD Anderson Physicians Network Symposium opens at 6:30 a.m. on Saturday, October 21, 2017. The opening session of the symposium will begin at 6:55 a.m. on Saturday, October 21, 2017, and the symposium will adjourn at 1:20 p.m. on Sunday, October 22, 2017.

On-site registration for Nursing Excellence: The Art and Science of Oncology Nursing opens at 6:30 a.m. on Saturday, October 21, 2017. The opening session of the conference will begin at 7:15 a.m., and the conference will adjourn at 1:30 p.m. on Sunday, October 22, 2017.

Advance registration is encouraged as space and materials are limited. Please see registration form for applicable fees.

The deadline for advance registration is September 29, 2017.

There are three ways to register:

- On-line at: www.mdanderson.org/conferences
- Fax to: 713-794-1724
- Mail to: CME/Conference Management – Unit 1781, The University of Texas MD Anderson Cancer Center, P.O. Box 301407, Houston, TX 77230-1407

We accept the following forms of payment:

- Check (payable through U.S. banks only)
- Money Order
- Credit Cards (MasterCard, VISA and American Express)
- Cash (on-site registration only)

A receipt and confirmation letter will be sent to you within ten working days of receipt of your fee.

The full conference registration fee includes the tuition, thumb drive, continental breakfasts, breaks, lunches and welcome reception.

Refund/Cancellation Policy

The registration fee, minus a $50 administrative handling fee, is refundable if a written request is received on or before September 29, 2017. No refunds will be granted after that date. The request for a registration refund must include the tax identification number of the company or institution if registration was paid by a company or institution check.

The Department of CME/Conference Management reserves the right to cancel activities prior to the scheduled date, if low enrollment or other circumstances make it necessary. Each registrant will be notified either by mail, e-mail or at the phone or fax numbers given on the registration form.

In case of activity cancellation, liability of the Department of CME/Conference Management is limited to the registration fee. CME/Conference Services will refund the full registration fee. The Department of CME/Conference Management reserves the right to limit the number of participants in a program and is not responsible for any expenses incurred by an individual whose registration is not confirmed and for whom space is not available.

For additional information, contact CME/Conference Management at 713-792-2223 or toll free at 866-849-5866.
Special Assistance
Contact the Department of CME/Conference Management at 713-792-2223 or toll free at 866-849-5866 if you have any special dietary or ADA accommodation needs.

Accommodations
• A block of rooms has been reserved for symposium attendees at The Houston Marriott Medical Center, 6580 Fannin Street, Houston, Texas.
• Early hotel reservation is suggested.
• The hotel phone number is 713-796-0080.
• When you make reservations be sure to mention the MD Anderson Physicians Network Symposium to be assured of receiving the special meeting rate of $99.00 single or double occupancy. Please add 17% Texas state and local taxes.
• Reservations and deposits received after September 27, 2017 will be confirmed if space is available and at current hotel published guest room rates.

Ground Transportation
(Prices are subject to change)
• Houston is served by two airports, George Bush Intercontinental (IAH) and William P. Hobby (HOU).
• Taxicabs are available at an estimated cost for $50-60, to or from both airports.
• Super Shuttle operates a shuttle bus between George Bush Intercontinental Airport and the Houston Marriott Medical Center for $27 one-way and $54 round-trip. For more information, call 713-523-8888 or toll-free at 800-258-3826 or on-line at www.supershuttle.com.
• Super Shuttle operates a shuttle bus between William P. Hobby Airport and the Houston Marriott Medical Center for $24 one-way and $48 round-trip. For more information, call 713-523-8888 or toll-free at 800-258-3826 or on-line at www.supershuttle.com.

Tours of MD Anderson
Tours of MD Anderson will be offered on Friday afternoon, October 20, 2017. Choose one of the times on the registration form. You will be contacted with more information on where to meet your tour.

Please let us know what specific topics, issues or questions you wish to see addressed or emphasized in this activity. Fax or e-mail CME/Conference Management. All responses will be forwarded to the Program Chair for consideration.
