The University of Texas School of Dentistry at Houston endorses neither speaker content nor products presented in this course. Any references by speaker(s) to products, equipment and techniques are the opinions of the speaker.

The University of Texas School of Dentistry at Houston is an ADA CERP Recognized Provider:

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at www.ada.org/ceer.

The formal continuing education programs of this sponsor are accepted by AGD for Fellowship/Mastership credit. The current term of acceptance extends from 11/01/2015 to 12/31/2019. The University of Texas School of Dentistry at Houston is a member of the Association for Continuing Dental Education. The staff members in the UTSD continuing dental education office do not have financial relationships with commercial entities that may be relevant to this presentation.
May 18, 2017

Dear Course Participant,

Welcome to The University of Texas MD Anderson Cancer Center and The UTHealth School of Dentistry at Houston’s continuing dental education program, “Oral Oncology Symposium.” We are pleased that you have chosen us as your continuing dental education provider and we are confident that we will provide you with the most current and practical information available in this subject area today.

Since you will be learning new techniques and using materials that you may not, as yet, be familiar with, during this program, we ask that you take every precaution in implementing these new techniques and materials into your practice. Your course instructors will review with you the precautions you may need to take, in order to successfully implement these new techniques and materials in the treatment of your patients.

We encourage you to keep in touch with the program presenter. The presenter’s contact information and email address is located on the backside of this letter. Please do not hesitate contacting the speaker if you have any questions that arise during the program, or after you have completed the program. We are here to assist you in every way possible to ensure your participation in our program is a successful and satisfying learning experience.

Thank you, once again, for choosing The University of Texas MD Anderson Cancer Center and UTHealth School of Dentistry as your continuing dental education provider.

Sincerely,

Yvette G. Haas, CDA, CPP
Coordinator II, Continuing Dental Education
Oral Oncology Symposium
