

# Proposal Keywords, Title, and Suggested Reviewer Form

If your application is selected, you will be invited to submit a *Research and Career Proposal*. The proposal reviewers are comprised of members of the CP RTP Advisory Committee, and subject matter experts in the field of your proposed research, as well as cancer prevention and control. To help identify these experts ahead of application award and subsequent proposal submission, kindly provide us with additional information about your project and suggest five (5) proposal reviewers. This will help ensure a timely and objective proposal review.

**KEYWORDS:** Provide six (6) short keywords that best describe your proposed research proposal.
