

House Staff Senate Blood Drive Competition

November and December

Any MD Anderson Cancer Center Blood Donation Center

The House Staff Senate is sponsoring a Blood Drive Competition between Trainee Divisions!

Consider donating whole blood, double RBCs, or platelets during November and December at any MD Anderson Cancer Center Blood Donation Center. Let them know you are donating on behalf of the House Staff Senate. We will contact you and confirm which division you will be donating towards.

The winning division will receive a HSS sponsored breakfast for their trainees.

Encourage trainees, faculty, friends, and family to donate for your division!
