Spring 2025 Admission

Frequently Asked Questions

1. When do I turn in my admission application for Spring 2025?

The application will be available starting May 1, 2024. You should submit the application, transcripts of each college attended, essay and three professional recommendation forms before the priority deadline of October 15, 2024. To ensure documents are received before the priority deadline, it's recommended that you apply two months before the deadline.

2. Can I apply for Fall admissions?

Yes, you can apply for Fall admissions. Refer to the Fall Admissions Prerequisite and FAQs sheet for details.

New students enter the Health Care Disparities, Diversity and Advocacy program in the Fall or Spring semester.

3. Can I apply for Summer admissions?

No, we do not admit new students for summer.

4. Can I enroll in classes part-time?

Yes, enrollment is offered full-time or part-time. View the courses and details [here](#).

5. I've not finished with all the prerequisite courses. Can I still apply for admission?

Yes, if the majority of the prerequisite courses are completed, you may apply for admission. The more prerequisite courses you have completed at the time of application, the better.

Admitted students must have no more than 3 missing prerequisite courses by the first day of enrollment in the School of Health Professions.

For this purpose, please note that a science course with a corresponding lab, is considered one course and not two courses, e.g. Human Anatomy and Physiology lecture and lab.

6. What factors are considered in the [admission process](#)?

Admission to the program is competitive and holistic. This means that an admissions committee will look at all the factors below when admitting a student. Meeting the minimum requirement does not guarantee acceptance.

- (1) A minimum of 2.50 in all three areas: Overall GPA, science GPA and prerequisite GPA
- (2) Number of completed prerequisite courses at the time of application
- (3) Essay (the essay prompt will appear on the online admission application)
- (4) Three Professional Recommendations

7. When will I receive my admission decision?

An admission decision will be completed near November 2024.

Spring 2025 Admission

Frequently Asked Questions

8. I was accepted for Spring 2025 to Health Care Disparities, Diversity and Advocacy. Due to incomplete prerequisite courses, I was accepted into the program conditionally. What is the deadline to complete my outstanding prerequisite courses?

If you are enrolled in the full-time track, you must finish any outstanding prerequisite course no later than January 2026.

If you are enrolled in the part-time track, you must finish any outstanding prerequisite course no later than January 2027.

Our recommendation is to finish any outstanding prerequisite course as soon as possible.

9. How can I learn more about the program?

You can view a pre-recorded information session, which is on the DDA homepage [here](#).

10. Do you offer an on-line option?

Yes, the program is offered in an online learning format. You will have online courses and preceptorships.

11. When are courses offered?

Courses are offered in the Fall and Spring semesters. You can view the curriculum [here](#).

However, if you were admitted with missing prerequisite courses, you may need to take coursework during the summer semester(s) to complete this requirement.

12. What is a preceptorship?

A preceptorship is an opportunity to work with professionals in the fields of advocacy and diversity to gain beneficial practical knowledge and experience. Preceptorship courses are offered in the Fall and Spring semesters of the senior year.

13. I already hold a Bachelors Degree. Can I apply for this program?

Yes, you can apply. Upon graduation, you will earn a second Bachelor Degree.

14. I already hold a bachelors degree. Can you waive all the prerequisite courses?

No, despite holding a prior degree, prerequisite requirements cannot be waived. However, applicable courses from your prior degree may be used toward the prerequisite requirements.

15. When I graduate, what degree will I earn?

You will earn a Bachelor of Science in Health Care Disparities, Diversity and Advocacy. Your degree will be awarded from The University of Texas MD Anderson Cancer Center.
