<i>Elective Courses</i> Remedial-level course or workforce course will not be accepted.		16
Total number of semester credit hours		58

This **one-year** program offers radiologic technologists a pathway to expand their knowledge in Diagnostic Imaging modalities while completing a bachelors degree.

Applicants to the **one-year** program in CT/VI should complete the required prerequisite courses prior to enrollment in the School of Health Professions. The courses may be taken at any regionally accredited college/university with a grade of C- or better. Courses are listed using the Texas Common Course Numbering System (tccns.org).

Admissions into the program is competitive. Learn more at mdanderson.org/SHPApply.

Applicants must be certified by the American Registry of Radiologic Technologists (ARRT) in radiography.
