

MD Anderson Children's Cancer Hospital Child Life Program Wish List

The Child Life Program at The University of Texas MD Anderson Children's Cancer Hospital is grateful for the generosity of the community to provide toys and supplies to our patients and families. If you would like to make a donation, please use the Wish List as a guide.

MD Anderson Children's Cancer Hospital Child Life Program does not charge for its services. Your in-kind gifts, as well as monetary gifts to the program are always appreciated and will be used to directly support the pediatric patients and their families.

No stuffed animals or used toys can be accepted due to patients' compromised immune system and risk for infection. All donations must be new and in their original packaging.
