

OncoLog

OncoLog is MD Anderson Cancer Center's print and online report to physicians about the latest advances in cancer care and research.

OncoLog reports on

- Recent developments in the care of patients with cancer,
- Screening and diagnostic progress, and
- Current clinical and basic science research activities at MD Anderson Cancer Center.

Published 11 times a year, *OncoLog* is made possible in part by a gift from the late Mrs. Harry C. Wiess.

The information in *OncoLog* is provided for educational purposes only; medical advice and services are not being offered. All medical information should be reviewed with a health-care provider.

Great care has been taken to maintain the accuracy of the information provided on this Web site; however, The University of Texas MD Anderson Cancer Center and its employees cannot be held responsible for errors or any consequences arising from the use of this information.

Physicians are encouraged to print out House Call articles and distribute them to their patients. Single copies of any other article may be printed out for personal reading provided the copyright notice is maintained. Permission for any other use must be requested in writing.

Questions regarding cancer treatment and patient care should be sent to [askMDAnderson](#) (for patients) or [Physician Relations](#) (for physicians).
